Don:

I think you meant to say in the plans for tomorrow that you will do the following:

1. Continue restoration in DRA022 (not DRA04) and FJD05-01.
2. Commence excavation on southern (1/2) of DRA08 (not DRA09)

What's the plan for the disposal of the stockpiled non-TSCA soils and DRA07E?

Are you planning on doing any excavation of TSCA soils to be ready for TSCA trucks (8 trucks) coming on Monday?

I guess I am confused on the order of excavation/disposal going forward to complete.

Thanks

Gary Moore
